**REF: GRES-UMT INTERNATIONAL WEBINARS ON "SHARED ECONOMIC RECOVERY "**

**SUB: LETTER OF GRATITUDE.**

Dear Dr. Serenko:

The Board of Governors is highly obliged to you for gracing the webinar as a Speaker.

Your talk was very informative and productive. You have discussed several critical and important points required to achieve our goals in bilateral relations and then in multilateral relations as well.

May we propose to continue such webinars not only to help and understand each other's point of view even better but also to find solutions to any bottlenecks hampering the progress of our relations. These webinars also help each other in exchanging and sharing their experiences on different aspects of economic and technological development.

May we also request that if you have your talk in written form then kindly send it to us so that we can publish it as part of webinar proceedings.

Once again thanking you with kind regards.

Sincerely,

Lt. Gen. Sikander Afzal HI(M), (retd.)  
Chairman
